Children's Version

We follow in Jesus' footsteps to love, learn and laugh.

Rationale of Religious Education:

- We believe Religious Education to be 'the core of the core curriculum.'
- We believe Religious Education is central to the educative mission of the Church.
- Aware that evangelisation and catechesis are happening in our school for some pupils, we are clear that the specific contribution Religious Education makes to the Catholic Life of the school is primarily educational and will be planned, taught, assessed and monitored with the same rigour as other curriculum subjects.
- We understand Religious Education to be the systematic study of the teaching of the Church and the mystery of Christ.

'At the heart of Catholic education lies the Christian vision of the human person. This vision is expressed and explored in religious education.'

Therefore, Religious Education is never simply one subject among many, but the foundation of the entire educational process. The beliefs and values studied in Catholic Religious Education inspire and draw together every aspect of the life of a Catholic school. All pupils have the right to receive an overall education which will enable them, in the light of the faith of the Church, to engage with the deepest questions of life and find reasons for the hope which is within them. Religious Education is, then, the core subject in a Catholic school.’ (Statement on Religious Education in Catholic Schools – Bishops’ Conference 2000)

‘Religious Education...is a rigorous academic discipline, and as such it to be taught, developed and resourced with the same commitment as any other subject.’

(Curriculum Directory. p10)

‘ The outcome of Religious Education is religiously literate young people who have the knowledge, understanding and skills – appropriate to their age and capacity – to think spiritually, ethically and theologically, who are aware of the demands of religious commitment in everyday life.’

(Curriculum Directory p10)

The Aims of Religious Education

- to promote knowledge and understanding of Catholic faith and life
- to promote knowledge and understanding of the response of faith to the ultimate questions about human life, its origin and purpose
- to promote the skills required to engage in examination of and reflection upon religious belief and practice.

Curriculum time allocation:

In line with Bishops’ Conference recommendations, 10% of curriculum time is allocated to Religious Education. This does **not** include Collective Worship.

Programme of Study:

To fulfil the above aims and to address the 4 areas of study outlined in the Curriculum Directory – Revelation, Church, Celebration and Life in Christ - the ‘Way the truth and the life’ programme is used as recommended by the Diocese.

Process

We teach Religious Education through the process of Search,

Revelation, Response. It follows the pattern of: The human **search** for meaning, God's initiative in **Revelation** and the **response** in faith. **'Teaching in Religious Education ... should help people be attentive to the meaning of their experiences, illumined by the light of the Gospel, so that they may respond to God more fully. Experience can also make the Christian message more intelligible.'** (Curriculum Directory p11)

Methodology

A variety of teaching and learning strategies will be used from across the curriculum adapted appropriately to the needs and learning styles of pupils.

Assessment, Monitoring, Recording and Reporting

- Assessment of standards is carried out according to Diocesan guidelines using the criteria in the Levels of Attainment booklet agreed by Bishops' Conference.
- Each teacher keeps a class record of assessed work and records of pupils' progress.
- The school portfolio of pupils' work contains samples of work from each teacher for each assessed topic covering a range of abilities.
- An in - house moderation meeting is held every year.
- Monitoring of teaching and learning will take place through lesson observations, work scrutiny and children's questionnaires and discussion.
- Progress and achievement in Religious Education is reported to parents/carers in a written report at the end of each academic year.
- A report is given to the Governing Body about the Catholic life and character of the school.
